

A NEW ERA IN HOLISTIC
MEDICINE AND PREVENTATIVE
DIAGNOSTIC INSIGHTS WITH
CHECK MEDICAL SPORT

Go beyond symptoms and ailments for a full body
diagnosis of current and emerging health challenges!

Class 2A and CE marked
medically approved
diagnostic device
(FDA registered, approved
for market use in 20+ countries)

Assess your whole body and your organ system regulation status in less than 8 minutes!

Full body diagnosis - scan all major organ systems, connecting tissue and even emotional/mental states

Traces disturbance fields and exogenous pollution

Identifies the root causes of illnesses not just symptoms

Conducts fitness and muscle analysis for athletes

Evaluates **functional disorders, oxidative stress, energy reserves and systemic degeneration**

Recommends therapeutic interventions to treat conditions identified

Detects **allergies, dysfunctions, and hidden inflammation across systems**

Offers deep insights through seamless integrated diagnosis using **Test Expert Plus**

Provides information on **regulatory and energy behavior**, tissue response and chronic disorders

How Check Medical Sport will help your patients

30 years of clinical research and physician feedback integrated into the best in class Vega Test Method

- Through a complete localized analysis, discover the root cause of illnesses
- Get instant information on stress levels and energy reserves
- Determine the acid/alkali balance of your body
- Predict health conditions before they become chronic - allowing for preventive health care

Get a quick and accurate analysis on the following:

Psychoneuro-immunology

Vegetative nervous system

Acute ailments

Chronic ailments

Allergy predisposition

Organ disorders

Inflammation foci

Detoxification situation

Stress situation

Microbial plane

Environmental toxins

Localized disorders

Vitality factors and energy

Reserves

Every major organ system of the body is checked! Predict health conditions before they manifest and make preventative health care possible!

The device gives the doctor and therapist details on the patient's general state of health. It shows in graphical detail where the functional disorder appears in the patient's body.

How **Check Medical Sport** will elevate your business

Built on more than 25 years of research on segment electrography to perform accurate guidance diagnostics, Check Medical Sport assesses the patient in the truest sense of the word from head to toe!

Identifies root causes of patient distress that cannot always be detected by traditional investigation methods such as ECG, x-ray, ultrasound etc.

Provides a detailed advisory analysis after just one **8 minute** measurement. Ease of use for the patient and the therapist.

A fully automatic, non-invasive measurement can be carried out within minutes.

Provides evidence based analysis of ideal schedule and training heart rate for active metabolism and improved fitness outcomes. Used by top athletes, professional footballers, golfers and world champion tennis players.

Over **90%**
*report relief from symptoms
after the first session!*

Most suitable for

Holistic health clinics

Med spas

Naturopaths

Rehabilitation centers

Sports centers

Sports coaches and personal trainers

Alternative, integrative and complementary medicine clinics

Chiropractic and physiotherapy clinics

Sports medicine clinics

WE ARE WITH YOU EVERY STEP OF THE WAY

Research and development

Research engineers, medics and therapists at Wegamed GmbH develop innovative diagnosis and therapy devices to support the health of your patients and remain in close touch with the end-users of the devices to add new features.

Medical hotline

Our team of experts comprising medics and therapists is available for medical questions.

Customer support, installation, and repair

Wegamed GmbH customer support is offered by the head office as well as an international network of medically qualified specialist advisers and trainers.

Wegamed Academy seminars

Access interesting, informative, and above all practical seminars that not only explain our products but also show you directly how our diagnosis and therapy devices promise success and can be used to benefit your patients. Our seminars have developed into a forum for an exciting exchange of experience where an international peer group participates regularly.

Maintenance

In order to avoid downtime in practices, we can offer you special maintenance agreements for all of your Wegamed devices for proactive and preventive maintenance.

For questions on all aspects of our products, please contact our service hotline.

REDEFINING HOLISTIC MEDICINE BEYOND CONVENTIONAL DIAGNOSIS AND TREATMENT

Wegamed is committed to delivering drug-free alternatives that enhance overall human health.

Our Products

Diagnostic devices

1. Test Expert Plus

Our star product provides detailed, non-invasive diagnostics for pathogens, allergen, system stressors, deficiencies, and other toxic substances interfering with your overall health.

2. Check Medical Sport

A fully-automated device that provides a whole body analysis of all major organ systems, their regulation status, functional limitations and prediction of any emerging health issues in just one measurement..

Therapeutic devices

1. Med Select

Powered by homeopathy and bio resonance to activate the body's self-healing ability.

2. Med Matrix

Designed to detoxify and regenerate soft connective tissue in the body known as matrix. It combines 5 therapies in 1 device - petechial massage, suction cupping, bio resonance, electro acupuncture, and magnetic information therapy.

Wellness products

1. Detox Footbath

Facilitates better organ function and auto-detoxification, to help rejuvenate and rebalance the body.

2. SOE Air

A wellness device designed to bust stress and renew strength to assist with natural rejuvenation.

3. Med Audicolor

A device that combines audio color therapy with neurofeedback, to support recovery from a range of health conditions..

4. PreFit Bodyscan

A comprehensive whole body analysis, to determine fitness levels and suggest training and nutritional practices.

By having a dialogue with your body and understanding the underlying imbalances, we help alter your lifestyle and enable your complete wellness. Our core philosophy is to find the root cause, not just treat the symptoms.

Dr. Peter Mölleney, Founder and CEO, Wegamed
